## ON THE COVER

### 2018 CCA National Winner - GCHP CH H&H HOTROD

The first time we saw HotRod was the day he won the CCA Top 20. He already had many nice wins but we had not seen him until that night. When we saw HotRod in the ring with Michelle we thought he was so beautiful and voted for him in the People's Choice.

Almost one year later we started talking with Michelle and at the end of 2017 we formed a great team. Since then, HotRod has won several Bests in Show, the Americas and Caribbean Show, Best Of Breed at the World Dog Show and the CCA National! All in one year! He had already won Best of Breed with Michelle at the Westminster KC and at the AKC National Dog Show in Orlando plus many, many BISS.

The scope of HotRod's win record is huge! He will always hold a place in the history of the breed for so many prestigious and important wins around the world.

HotRod doesn't let all his titles go to his head - he is a sweet and a fantastic pet. He loves to sleep on top of the sofa when he's home. We know Michelle misses him and can't wait to have him back but we sure will miss this awesome little man.

# President's Letter

As I write this, New England is seeing its first snow fall of the season, and the holidays are upon us. Thank you to all our past and present BOD members, committee chairs, and committee members. Without the tireless effort of those who volunteer the National and Regional Specialty, the events during those four days, the Chi Chatter, and more would not be possible!

We have another exciting year ahead of us! CCA has appointed the new Committee Chairs, and work on the 2020 CCA Handbook has begun. Everyone has something to contribute, so as you renew your dues, please consider listing committees you are interested in serving on. Those names are forwarded to the committee chairs. And if you aren't sure what is involved with the committee, just ask! The Chairs or any of the BOD members are more than happy to provide additional information.

Finally, as we move into the New Year, I encourage everyone to remember that we are community together by the love of our little breed, and sport of pure breed dogs. The animal rights activists are making it more, and more challenging for all of us to enjoy our dogs and participate in the events we, and they, enjoy. I encourage everyone to be kinder and more supportive of one another; and more welcoming to those new to, or interested in learning more about, the breed and the sport.

Happy Holidays!  
Best,

*Lauren A. Payne*

# Letter from The Editor

Happy Holidays! I hope you all enjoy this extra large issue of the Chi Chatter. We tried to pack it with as many photos and results from Nationals week as we could. As always, if you have any ideas for things to include in the next issue please let myself or your Board member know.

Enjoy! -Suzanne

# THE CCA AND SOCIAL MEDIA

The CCA BOD understands the role social media plays in our everyday personal and professional lives. It's important for people to understand that posts made on Blogs, Facebook, email lists and chat groups are in essence, "public domain" and that what is written online is not only a direct reflection of those posting, but a reflection of the organizations and clubs that you are associated with. It is hoped and encouraged that when you are faced with a disagreement or conflict with another, that you take a moment to carefully consider what you are about to post. It's up to each one of us to understand and abide by good social netiquette and realize that as members of the Chihuahua Club of America, we are all a part of a greater mission, and like it or not, we are family.

Our mission and passion of preserving the health, standard and welfare of the Chihuahua breed is tantamount. Our breed depends on each one of us to contribute to the betterment of the breed, both in and outside of our programs. There is no acceptable place for cyberbullying against other members or breeders over social media. The most important issue that we should consider above our personal issues with others, is protecting the integrity of the Chihuahua breed in every aspect. We would like to encourage membership to become more involved in CCA and put aside personal feelings so that we can all work together to make our club the best it can be. For more information and resources on cyberbullying and resolving conflicts, please check out a new feature on our website: [Chihuahuclubofamerica.org/ccamember-info](http://Chihuahuclubofamerica.org/ccamember-info)

Another successful National Specialty has come and gone!! It was so very nice to meet so many of you in person, and to catch up with dear old friends! I am already looking forward to next year!!

Since my last report I have sent a total of four cards. A Get Well card was sent to Pat Witter, and another to Jackie Dew. A Thinking of You card was sent to Teresa Chrimes. Finally, a Sympathy card was mailed to Romulo Sanchez Torrez who recently lost his father.

Please keep these members in your thoughts and prayers.

I have mailed a Specialty catalog to Darwin Delaney, who has been a regular attender. I have several more available to send to those who could not attend due to illness etc. Please let me know if you know of someone who would enjoy having one.

Sincerely,

## **JUDGES EDUCATION LINDA GEORGE**

The judges ed seminar in St. Louis this year was moved to Saturday late afternoon following the regular class judging. Since it didn't conflict with the sweepstakes as in previous years, we had excellent attendance from breeders as well as potential judges. The small room was filled to capacity. Next year we will find a bigger space to do the seminar. Many thanks to the people that provided dogs for the hands-on part of the seminar.

There will be a Chihuahua seminar in Florida in December hosted by the Advanced Judges Institute and in conjunction with the AKC and other all breed shows. There are about 35 people signed up so far.

# REGIONAL REPORTS

## EASTERN REGION

KRIS SPECHT

East Regional Vice President

Have I been doing this job for a year already? It's been a whirlwind. I remain dedicated to be your voice to the CCA board. If you have concerns, thoughts or ideas, hit me up!!

One common theme that I have heard from our membership is that we miss the local CCA events. We all know that the model of the rotating specialties is impractical and expensive. AND yet our members miss them terribly. Let's face it. It's just not practical for all of us to meet in the middle of the country every year for the national and the fringes of the country feel left out. It is my mission this year to try to come up with a model that works. If you have ideas or want to step up and be a part of this exciting new initiative contact me? I could use your help. This is a thing that can work.

I would also like to see us work together more within our individual regions. I have spent a fair amount of time this year traveling to specialties outside my neighborhood and talking to their organizers. I think I understand the challenges our member clubs are facing. The specialties will die without an influx of energy. I was touched when a member of a club hundreds of miles away offered to be trophy chair for our local 2019 specialty. This sort of generosity makes our sport strong! I'm sure you get tired of hearing me ask you to step up and volunteer and also to enter dogs in your local specialties even if you feel they may not be competitive. But I believe that if you care, it is important that you put your time and energy into something that may or may not work out the way you wish. You never know. It's a dog show. ANYTHING can happen.

Congrats to all of the winners and also to those that didn't place but made the trip to present your animals to the fancy! National week is SO MUCH MORE than a ribbon! So much to learn and see, and making the effort to show your peers what you are bringing to the table within your program is a huge accomplishment in and of itself!

Another HUGE thank you goes out to our show committee, club officers and board members. To all that work so hard to make an event like this happen. It is huge undertaking, and we truly have one of the best National weeks out there!

So, my Kudos to all!
