# President's Letter

As you receive this, we will be counting down to our National and Regional Specialty in St. Louis. I would like to thank our Show Chair, Willo Barfield, and all of the other committees for their efforts in preparation for our national specialty. It takes countless hours of their time to ensure that you the membership have a wonderful experience.

Speaking of volunteers, after the national, the CCA BOD will meet to select committee chairs, and appoint members of standing committees. On page {insert page} of this issue is a brief description of all the various CCA committees. If you log into the Member's Only section of CCA's website, you will find more detailed description of the committees and their duties. I encourage you to read this information and consider volunteering. You can of course approach myself or any BOD member at any point with questions as to duties

and responsibilities. Sign-up sheets will be available at the national for all of the committees.

New to the 2018-2019 year is a Committee Chair phone conference call. This conference call will take place once committee chairs have been appointed. The goal is ensure that not only have the committee chairs received the information needed, but also provide an opportunity to ask any clarification questions she/he may have at the beginning of their tenure as chair. My hope is this will eliminate errors and/or confusion, but also encourage members to step forward and serve.

Additionally, CCA still seeks someone to serve as the Handbook Committee Chair. The Handbook is published approximately every 5 years, with the last addition published in 2015. If you are interested in serving as the chair, or even on the committee, please contact someone on the BOD and let them know. Without a Committee chair, CCA will not have a Handbook.

And lastly, I would like to thank all of the CCA members who served as Committee Chairs, and as committee members for the 2017-2018 year. Without the time and effort of all our volunteers, CCA would not exist. Thank you!

I hope everyone had a wonderful summer, and I will see you in St. Louis!

*Lauren Payne, CCA President*

### JUDGES EDUCATION

#### LINDA GEORGE

The CCA has been invited to participate in the AKC/DJAA Advanced Judges Institute in December in Florida. I will be able to present the seminar this year and am looking for volunteers to bring dogs for the hands on portion. So far there are 29 attendees signed up. Chihuahuas will be on Wednesday, Dec. 12, at 11 AM-2:30 PM. Please e mail me if you are able to help out.

There will be a judges ed seminar at the specialty in St. Louis on Saturday following the regular judging for the day. Mentoring will be available during the judging Thursday-Sunday.

The board has generously agreed to fund an extension of the artist's contract for the illustrated standard sub committee. The committee is doing an excellent job and getting the drawings to be exactly right has taken a little more time than anticipated. I think the results will be worth the effort being put forth by the committee members.

### SUNSHINE

#### CHRISTIE FOULK

As I write my summer Sunshine report, I would like to encourage you to contact me with our members who may need a little cheering up. Lately, I have been getting very few requests. I try to keep up on Facebook, but, I may miss someone. My contact information will be below. Thanks so much!! This summer I have sent out a total of five cards. A "Get Well" card was sent to Pat Witter and we are wishing her a very speedy recovery! Of the five cards I mailed this summer, sadly, four were Sympathy cards. Two members have lost spouses, cards were sent to Dick Miller, at the passing of his wife Martha, and to Marguerite Michalik whose husband has passed away. A sympathy card was sent to Billy Miller who has recently lost his father. finally, a longtime member Frances Husbands has passed away. Fran was also a member of the SCCC and she was loved by all. Our Sympathy goes out to her daughter Marli King who is also a CCA member. Please keep these members in your thoughts and prayers. Christie Foulk – phone (619) 665-1058 – Email chrmmom8@aol.com I am also available on Facebook.

### CCA DELEGATE

#### KENNY SAENZ

AKC Education Summit The Summit began on June 10th, 2018 with a welcome from the AKC. Interesting fact: 68% of American's have a pet. Even more interesting is that the number one pet is the Fish followed by the Cat then our beloved Dog.

1. The Evolution of Dog Show and Events presented by Doug Ljungren, AKC Executive Vice. We currently have 17 Sports in 1300 events. We have had 15 years of declining numbers in Conformation events. It was suggested that we may just have too many Conformation shows in some areas and too few in other areas of the Country. This may very well be one of the reasons for declining numbers. Another reason is that 70% of new dog owners agree that adopting/rescuing a dog is there preference. Other mentions for declining numbers also were the inability to attract Generation Z. This generation is one that prefers doing things that lean them selves to a cause, cost value, (FOMO) fear of missing out, and rapid gratification.

2. Club Development presented by Glenn Lycan, AKC Director of Event Operations Support The role of this presentation was to help clubs increase membership, add events during their conformations shows, and or stand along shows. The panel shared that, by adding other AKC events, their numbers and profit increased. What clubs might do: Addition fun activities, education, share your story programs, sharing is power, raffle's, utilize social media. Please contact Glenn Lycan or Guy H. Fisher for personalized ideas.

3. Junior Showmanship presented by Mar-Beth O'Neill There is a difficulty in bringing in new young members. Some of the items suggested were that we be more active with 4-H, Girl Scouts, Boy Scouts, and other youth groups. Go to electronic news letters since our youth does not care for hard copies. Try the RHP Clinic's. and not to forget the power of the Pee Wee program. More suggestions were to bring in other events our youth sees as more fun: Trick Dog, Rally, Obedience, and Jr show case events, just to name a few.

4. Breed Preservation presented by Mark Dunn, AKC Executive Vice President The fact is that 50 breeds account for 50% of our registrations. Suggestions: reproductive breed bank by the parent club, public awareness, mentoring programs (breeders and exhibitors), sharing more of ourselves (we're all in this together), being more inclusive.

5. Best Public Relations and Social Media Practices for Clubs presented by Brandi Hunter This is all about getting our message out of the other things we do. Our rescue programs, community outreach programs, the reunite program. Set up a media committee! Use Social Media: Facebook (monitored), Instagram, and Twitter etc. Don't forget your local TV, and newspapers.

6. Government Relations presented by Sheila Goffe.

There was a discussion of using public policy to promote responsible dog ownership. We should all be working with AKC on the local, State, and Federal level. Contact Sheila for in depth information for your area. This could be the catalyst that allows our fancy to continue.

# REGIONAL REPORTS

## EASTERN REGION

KRIS SPECHT

East Regional Vice President

Gearing up for the National! It's that time of year again. Why go to the national? When I've asked people if they will be there, I frequently get the answer, "I don't have anything to show there." That answer always surprises me? I mean is the National just about exhibiting? Certainly, I would hope it would be more valuable than the available ribbons and prizes? It's a perfect time to see dogs that you wouldn't ordinarily see? Maybe you will see a dog that might go well with your bitch and you can talk pedigrees into the wee hours of the morning? (Ok. Maybe that's just MY idea of fun?) But it's a perfect opportunity to talk to others from around the country who share your passion? Meet people that you've heard of but haven't had a chance to meet? Make new friends? Support our club! And frankly, just have FUN!! I mean, WHERE ELSE YOU GONNA GET TO PLAY CHIHUAHUA BINGO??!!!! :D Hopefully you will be able to attend our National. Even if you don't have a dog that you think is particularly competitive, it's a great time to connect with others in the fancy! Of course, if you don't know anyone who will be there, there are many of us who would welcome a chance to meet you! If you feel insecure about going alone, volunteering to help is a GREAT way to meet people! Hit me up! I'd love to meet you in St. Louis!!

LESLIE RILEY

President

**Heart of New England Chihuahua Club**

The Heart Of New England Chihuahua Club is having our sanctioned match with the Souhegan Kennel club Saturday September 8th in Nashua N.H. We are also supporting the all-breed shows the 8th and 9th. Lots of cool prizes offered, come bring your puppies and lets have some fun!

We are also planning a double specialty for 2019, details are in the beginning stages but we are working on it !

## EASTERN CENTRAL REGION

H. CRAIG LESLIE

East Central VP

I was able to attend two of my region's specialties. Both of them were lots of fun! However, the Chihuahua Club of Greater Milwaukee is really struggling! Their show is in a great facility with air conditioning. Their trophies were very nice. But they are having trouble getting entries. Many of their members travel to other specialties. They are at a point where they need to know why Chihuahua exhibitors are not attending their shows. Please take the time to email Michael Holzkopf and tell him your reasons and perhaps even make suggestions. The club would really appreciate this. The National and Regional Specialties will be upon us before you know it. Hope to see you all there.

DR. ANNE VARGO

President

**Chihuahua Club of Michigan**

I have recently taken over as president for the Chihuahua Club of Michigan. I have been in Chihuahuas and showing dogs for over 15 years now. I look forward to helping the club grow and be welcoming to those new to the sport and breed.

With lots of help from many club members and volunteers, we were once again able to put on a very successful specialty over memorial day weekend. Congratulations to all of the winners and new titles obtained! We also just held our puppy match combined with the Great Lakes Toy Club, and it was very nice to see all of the promising young puppies.

HEIDI CHIAPPETTA

CCGM Secretar

**Chihuahua Club of Greater Milwaukee**

During our annual members meeting, our club members voted to retain the current officers and board members. It was also voted to return to Combined Specialties for 2019 and hold two specialties on Friday before the Waukesha KC shows. We will again have a small lunch between shows and a silent auction. We are also pursuing having a picnic and puppy match in the evening after the specialties.

Please plan on coming to Waukesha next summer. We need your support and entries to be able to continue holding specialties. Judging is inside and air conditioned with ample room for set up

and crating. There is also plenty of room for RVs. Hookups and a dump station are available. We look forward to your support in 2019!

The Chihuahua Club of Greater Milwaukee held our two specialties concurrent with Waukesha KC on July 28 and 29, 2018. The shows went well with two pleasant and engaged judges, Nancy Liebes and Diana Skibinski. Best of breed in Specialty Show Saturday under Nancy Liebes was GCHG H&H Hotrod(D), K.F. Gordon & E.P. Lima & M. Herod & T. Harris with Best of Opposite Sex to Best of breed in Specialty Show to CH True Shot & Isa's Starting a Riot(B), Andrea Carter and Melanie Bowling. Best of breed in Specialty Show Sunday was GCHB CH Ouachitah Despicable Me (D), L George, with Best of Opposite Sex to Best of breed in Specialty Show awarded to GCH CH Victory Z Fine China(B), Kathryn V. Hulstein.

JESSICA SIMON

West Central Region VP

Hello all!!!

The summer show season is moving right along, and we will soon be seeing each other in October! This is always a fun time of year as we gear up for the National!

Looking forward to all of the fun events that the club has planned and of course seeing friends and beautiful dogs!

As always, in the mean time if you have any questions or concerns, please take a minute to contact me privately. Also, as of recently I have opened a West Central Region Facebook page for club/region communications. I did send invites to those I was already connected with on FB, but please request to be added to the page if you have not been already. :)

See you in St Louis!

**Chihuahua Club of Northern CA**

The Chihuahua Club of Northern California enjoyed a groovy Woofstock Specialty in June with a total entry of 80 dogs and a weekend filled with great fun, great people, beautiful dogs and wonderful music. CCNC had a fun filled meet the breeds while there that the public and dogs both totally enjoyed. The club members are now busy working on the upcoming Fall specialty held in Dixon California on Friday Oct. 26, 2018 starting at 1 pm. Our sweepstakes judge will be Mr Masaki Shimizu, and our breed judge is Mr Robert Hutton. We will have our giant raffle with items for everyone throughout the weekend. Following the specialty there will be a puppy match with snacks provided.

## WEST REGION

SHAWN JONES

West Region VP

Summer is winding down here in Montana...43 degrees this morning! Fall is definitely in the air.

There's several Chihuahua Specialties coming up in the next few weeks so I hope everyone takes advantage of their area club's hospitality by supporting their shows. It's always fun to see nice dogs, meet up with old friends and make new ones!

The CCA's Regional and National shows are also right around the corner. Please be thinking about volunteering your time and talents to make this year's shows an awesome experience for all. Also, please consider volunteering for one of the club's committee's in 2019...we're always looking for people to fill spots on various committees.

I look forward to seeing you all in St Louis!

KATHY SMITH

Board Member

**Southern California Chihuahua Club**

The members of Southern California Chihuahua Club are looking forward to fall, in hopes the many fires of this summer will fade away. We seem to have all stayed safe. Hoping for a little rain and cooler temperatures soon.

We recently lost two longtime cherished members, Dana Ceja and Fran Husbands. They will be fondly remembered and missed. It will be our honor to remember them at our April Specialty next year.

I saw the first ad for pumpkin spiced something so off we go into autumn. Hope to see many of you in St. Louis. Happy Fall!
