

The Junior Committee Chair is responsible for accepting the travel assistance request form, and forwarding it to the board for action along with their recommendation. The Junior Committee Chair is responsible for sending the Scholarship Application to interested juniors, and directing them to send the completed application to the CCA Secretary for action. The Chair is also responsible for planning and implementing some sort of activity for the Juniors in attendance at the national. This can be as simple as a pizza party, a swim night or going to a movie. The Chair will also ensure that each junior that has an entry will receive a small gift bag when they pick up their armband at the show. These bags do not need to be elaborate or expensive, rather should have a variety of fun or useable items that the junior will enjoy. It is more a statement of welcome than anything. The Chair will submit a yearend report to the President regarding any and all activity of the committee.
