## Editor's Pen

It was great to see so many of you at the Nationals this year. I am thrilled to have been able to meet and spend time with several of the club's new members.

It's hard to believe how fast this year has gone by. Heading into next year, there will be a few adjustments and changes to the Chi Chatter, but right now everything is still in the planning phase.

I still need folks willing to help out on the Chi Chatter committee; we need someone to handle solicitation of advertising, someone to handle subscriptions, and most important, someone who can design some ads!

We need writers for columns. Give it a try! We need performance, conformation, or anything else you would like to share with the Chihuahua fancy. Contact me to get started!

Merry Christmas and Happy New Year to all!

Officers and Board Members present: Racheal Miller, William Block, Michelle Brislin, Beverly LaFleur, Sherrie Shirky, Emily Buller, Annette Waldkoetter, Christie Foulk by phone, AKC Delegate, Joao Machado, Absent Kara Gordon

Membership quorum announced.

CCA Annual Meeting Minutes from October 16, 2021 approved as published in the Chi Chatter.

President's Report: President Lynn Buntin welcomed members to our Annual meeting.

### Treasure's Report

Balance in the checking account, as of our last BOD meeting on 11/09/22, is \$89,685.28. This amount is \$63,618.57 in the general fund + \$26,036.71 in the Health Fund. My last recollection is that someone (can't remember who) was going to check with Sally Buckman, regarding her wishes. I have my personal Edward Jones investment advisor in a holding pattern, should we choose to invest the Health Fund. I haven't heard back from anyone, as to whether I can go ahead & set something up with Edward Jones. The money is earning zero interest right now, but I don't want to proceed until I get confirmation to do so.

Membership Chair Belinda McCormick shared that the membership committee is working well together and they are making great progress towards their goal of increasing club membership.

### New Business:

Kyle Potts motioned to allow non-attending members to vote for Reg Nat show judges. That this should go to a mailed ballot to the membership. Karen Temple seconded. All in favor.

Lynn Buntin read Max Hurd's Lifetime Membership proposal. Sandy Files motioned to accept Lifetime Member proposal of Richard Miller. Pam Gaskin seconded.

Historian, Jen Lee presented a video of Chihuahua History. She requests more photos of past members, current members and their Chihuahuas. She would love any information pertinent to our history & Committee help.

Theme for the 2023 Top 20 is revealed as the ROARING 20's.

Michele Gillis asked membership to promote the Chi Chatter by selling subscriptions and ads.

Election Results:

Judges: Reg Nat Hiram Stewart, Jason Hoke received the most votes for 2021  
Sweeps Randy Carr, Annalisa Waldkoetter

Secretary accepts the 2023 slate.

Welcome Sandy Files to the CCA BOD

Adjournment at 9:05pm CST

Each of our four region VP's have been trying to contact the secretary of each of their Region Clubs, so that we have a valid contact and current information about club activities. This will make it easier to keep up to date on when your meetings, shows and other activities you will be having. We want to keep the CCA website calendar current. We will also send you reminders to report your specialties results so they are in the Chi Chatter in a timely manner. The Chihuahua Club of Greater Phoenix Specialty is Saturday November 26th that's Thanksgiving weekend. The results will be reported in the next issue of the Chi Chatter.

If any of our West region clubs have had their specialties, and you have not yet reported the results please send them in. The Chi Chatter is being sent out every other month, the deadline for reporting is the 15th.

Several of the clubs in West region have just had their election of officers or will be having elections in the next couple of months. Please send your election results to me at [lafleurs.chis@gmail.com](mailto:lafleurs.chis@gmail.com). I realize this is a busy time of year, but we want to keep everyone well informed as to what is happening in your area. Best wishes for a wonderful holiday season.

Beverly LaFleur  
West Region VP  
Dear CCA Members,

## Sunshine Committee

Since my last report was published in the Spring Chi Chatter, I have mailed a total of ten cards. Those receiving a Thinking of you card were, Sherrie White, Linda Fiordiliso, and Lesley Harger received two.

Four Get Well cards went out to, Dolores Masley, Belinda McCormick, Kyle Potts, and Connie Williams.

Sadly, I have sent three Sympathy cards. Connie Williams recently lost her mother, and our member Betty Stallard has lost her husband. Please

keep these members in your thoughts and prayers.

It is with great sadness, that I report we have lost two more dear members this year. Linda Herr, a long time CCA member has passed away after a long illness. We are in the process of deciding on a donation in her memory. We were all saddened to hear of the sudden passing of Evelyn Rutledge. A Sympathy card has been sent to her husband and family. It was decided that a donation of \$100.00 will be sent to her family in her memory.

On a happier note, Sherrie Shirky will be joining me on the Sunshine Committee! Welcome aboard!!

## Show Committee Nationals 2023

---

The 2023 Chihuahua Club of America Regional National shows will be held at the Hyatt Place Dallas Garland Richardson, located at 5101 N President George Bush Hwy, Garland, TX 75040. The Show Chairs are Kyle Potts and Michelle Brislin.

We were not finally informed by The Holiday Inn St Louis that we would not be allowed back until the week after our National last month. That put our Show Chairs in a time crunch to locate a new show site. The Show committee contacted Susan Francois of Helms Briscoe, who had originally assisted our club in finding the Holiday Inn many years ago. Helms Briscoe is in the business of assisting many dog clubs around the country as they search for properties that will allow dog clubs to hold their shows. It is a time consuming task and Susan got right to work for us.

Helms Briscoe contacted 31 properties for us, in 6 different states. Almost 90% of them replied that they were either already booked, could not meet our requirements, or did not allow dogs on their properties anymore.

Of the remaining 4 properties, one in Junction City Kansas did not have enough guest rooms for our needs. One in Albuquerque, New Mexico had the space, but their lowest room rate was \$269 night. One in Topeka, Kansas would not allow any RV's. The one in Garland met all our needs and more. Like every other hotel that was contacted, this hotel allows six dogs per room and has a one-time \$75 nonrefundable pet cleaning fee.

This property is experienced with dog clubs and has had good reviews from other clubs. They offered us a room rate of \$109 night which is much lower than any other hotel offered us. All their rooms are Suite style rooms and have either one king bed or two queen beds and all rooms have a sleeper sofa bed as well. All rooms offer a mini refrigerator and coffee pot. The hotel offers a free hot breakfast for each room and there is a 24/7 Espresso Bar featuring Starbucks in the lobby.

Dallas Love Field Airport is 17 miles from the hotel and DFW International Airport is 20 miles from the hotel. There is an airport shuttle service available for \$15. The hotel offers a free shuttle service for dining and shopping within a 5 mile radius of the hotel. There are multiple restaurants within walking distance and there are two restaurants in the hotel parking lot area.

Plans are already underway for next years show. It is our Centennial Show, celebrating CCA's 100<sup>th</sup> anniversary. We are planning for a grand event and welcome all volunteers to help on the various committees. ## TEXAS CHIHUAHUA CLUB

---

The Texas Chihuahua Club lost long time member Linda Herr on September 18, 2022 after a long illness.

Linda was well known by members of every Chihuahua Club and Toy Dog Club in the state of Texas for her ability to always procure and produce a wonderful array of trophies for every show giving club she belonged to. Everyone who came to the show and participated, walked away with an armful of useful and clever prizes that never ceased to amaze us all.

Linda's love and passion for the Chihuahua breed was obvious in everything she did. She selflessly worked for hours to support her dog clubs and made great sacrifices in her personal life to always go above and beyond for the benefit of others.

A few members of Texas Chihuahua Club spent several days at Linda's home a few weeks ago and we collected a very large amount of dog items that Linda had purchased for trophies. Linda had planned for trophies for Dallas, Houston and San Antonio shows last year but was unable to go to the shows because of health issues.

All of the items are brand new, still have tags on them and are in plastic tubs for safe keeping. For those inclined to make the soft blankets that Linda always offered for Sweepstakes prizes, we have dozens and dozens of full, brand-new bolts of that cloth in many different designs. We have dog beds, blankets, toys, collectible items, trinkets, toy boxes, sherpa bags, snuggle beds, and the list goes on and on.

The Texas Chihuahua Club would like to make these items available to whoever needs them for trophies or personal use. The items are all stored in a climate-controlled storage room in San Antonio.

Interested clubs and/or persons should contact Kyle Potts and arrange with her to view the items. Items will be sold at a very reasonable cost with proceeds being used to pay the monthly storage fee for the club until the items are gone. All funds collected above and beyond the storage fees will be donated to Texas Chihuahua Rescue as Linda would have wanted.

Kyle can be contacted by email at [kylepottstx@aol.com](mailto:kylepottstx@aol.com) or by phone at 210-273-3133

Greetings from the mostly sunny Southern California Chihuahua Club.

After what seems like forever, we are excitedly looking forward to an in-person meeting! We will be meeting this Saturday at the home of our new member Jeannie Woodyard. It will be so very nice to see all the gang.

Our committees are in place, and we are looking forward to another great time with friends and beautiful chihuahuas. This event will be held concurrent with the Conejo Kennel Club. And we will again be at the Industry Hills Expo Center. Save the Date!! Saturday April 23. More details coming soon and watch for our ad.

Linda Herr, 74, of Boerne, was born on September 6, 1948, in Johnson County, Indiana to Virginia and Robert N. Tharp, and passed away on September 18, 2022 after a long illness.

Linda was well known to members of every Chihuahua Club and Toy Dog Club in the state for her ability to always procure and produce a wonderful array of trophies for every show-giving club she belonged to. Everyone that came to the show and participated walked away with an armful of useful and clever prizes that never ceased to amaze us all.

Linda's love and passion for the Chihuahua breed was obvious in everything she did. She selflessly worked for hours to support her dog clubs and made great sacrifices in her personal life to go above and beyond for the benefit of others.

Linda was preceded in death by her life partner of more than 32 years, George Edward Sheffield; and by her parents, Virginia, and Robert N. Tharp. She leaves behind her sister, Karen Porter (Matthew); her brother, Paul Tharp (Lynn); her nephews, Robert and Matthew Tharp; many other loving family members; and a large group of friends who will always be grateful for the opportunity to have shared her walk on this earth. *Evelyn Perreault Rutledge*

May 1<sup>st</sup>, 1963- October 1, 2022

Our beloved Evelyn passed away in her sleep on October 1, 2022, at her residence. She was a perpetual learner, earning degrees into the prime of her life, earning her Bachelors and Masters degree in Social Work and loved doing home health and hospice work. Evelyn spent the final years of life following her passion - showing her prized dogs and horses with her husband Ray lovingly running their home kennel. Her newest venture was breeding and showing champion chihuahuas with niece, Katelyn Simmons. She will always be loved and missed by all whose life she touched.

Evelyn is survived by her husband, Ray Rutledge; bonus brother, Donovan Smith III; bonus sisters, Susan Brooks, Debbie Livingston, Bette Wright, and Margie Vanek; bonus brother, Chuck Smith; and her nieces, Anna Perreault Walton, Shannon Fox, Jessica Rutschke, Constance "Connie" Seddon, and Katelyn Simmons.

She is preceded in death by her bonus brother, Mike Smith; brother, Stephen Perreault; mother, Dorothy Perreault; father, Freeman Perreault; bonus mother, Tena Smith Perreault; and her bonus sister, Cindy Rapp.

## About Balance

The standard uses the word balance as part of this section. Persons that are passing judgment on our breed need to keep this word in the forefront as they make their decisions. Never ever should a tall rangy appearing animal get a purple ribbon. The same is true for a short legged, long bodied entry. Neither of these animals could be considered to have balance.

The Chihuahua Standard offers very little in the words used to explain proportion/balance. Included in our illustrated standard are drawings with a square overlaid over the outline of our breed. Students of our breed are encouraged to study these illustrations and to fix in their mind's eye what slightly longer than square is to mean. The Chihuahua has been my breed since 1957 fine tuning my eye to appreciate balance did not happen overnight. Height to length ratio is difficult to "nail down". My eye wants to see an entry that has table to elbow as close to equal to elbow to withers as possible. Such an entry cannot be high on leg or low on leg. This equality creates the look of balance.

The phrase in our standard "somewhat shorter bodies are preferred in males" is another place to pause and think about these words. For me it means that males are not going to carry a litter of puppies and they need less length of loin. However, having made this statement I want to caution persons judging my breed to look for length in rib rather than length of loin. If you have to forgive length of body in an entry, it would be my recommendation to only make this sacrifice with a bitch. Long bodied dogs should not be sought out/after.

Front placement is critical to the achievement of balance. Our breed standard clearly calls for a front well under the dog. I taught the breed seminar at our national specialty for several years. I encouraged persons attending these seminars to take their index fingers and trace the outline of a dog they are evaluating starting under the chin.

## *The Judge's Verdict – Dick's Thoughts*

Mr. Richard Miller, AKC Judge – CCA Life Member

If front legs come into this tracing exercise before the index finger is under the dog, the front is not under the dog. This is a fundamental evaluation that should happen. Obviously a finger is not needed but a good eye can tell the person making an evaluation where the front is.

Substance and weight go hand in hand for me. The super at any given show is to have a scale available for the judge. I have seen the scale called for once at shows where I have exhibited. I have called for the scale only twice in my 25 years of judging our breed. Both times I called for the scale I felt sure that the dogs I chose to weigh would be over six pounds. One of these dogs was a finished champion closely related to a stud dog I had bred, and he was a contender for BISS. I did not know his pedigree for sure, but he looked too much like my dog not to be closely related. The other dog I chose to weigh was in the six to nine puppy dog class. This puppy looked like he was a prospect to play on the line of a football competition. I always physically lift the animal I choose to put on the scale. I know what a six-pound dog feels like in my hands; however, never ever make a decision on weight without using the scale. A 5 lb. 15 oz. entry could easily be your winner.

I know what a six-pound dog feels like in my hands; however, never ever decide on weight without using the scale. A 5 lb. 15 oz. entry could easily be your winner. When assessing weight, the amount of bone is significant. A good place to evaluate bone is the base of the tail. Dogs of substantial bone will have the feel of good bone here. After assessing the amount of bone, feel the rib cage. If all the ribs are covered well enough to make it impossible to feel each rib, you might want to weigh this entry if it is of substantial bone. The converse is also true. A very big appearing dog that has little bone is not likely to push the six-pound limit. I feel we do our breed a HUGE disservice when we fail to use the scale. Simply moving a dog to the end of the line or out of the ribbons is purely unfair if the dog has breed type, moves well, carries a correct topline, etc.

Training your eye to see correct size, proportion, substance, and weight takes time. A Chihuahua that excels in each of these criteria is lovely to behold. I emphasize the use of the scale whenever there is doubt of an entry being too heavy. Don't guess put the entry on the scale.
